

# The Bevi versus Bottled Drink Breakdown

Bevi is an all-in-one hydration solution, providing customizable refills of still, sparkling, and flavored water that never run out.

## Save money and fridge space

- Save up to **50%** per drink vs. one 24-pack of flavored sparkling water.
- Get back valuable fridge space with no cans & bottles.

## Not just a machine, but a service

- Bevi's white glove service proactively monitors & refills flavors.
- Eliminate time on reordering & restocking drinks.

## Experience a new way to hydrate

- Customized still, sparkling, & flavored water on demand.
- Mix & match unsweetened or naturally sweetened flavors.
- Commit to an fun & easy sustainability program.
