

# The Standup Bevi

## **Refill station**

Our machine accepts any container. With our single-nozzle design and LED lighting, filling up is clean and easy.

## **Touchscreen dispense**

This is where a user selects their custom drink: still, sparkling, flavored, or not.

## **Water/power supply**

- Standard 3-prong US 120V electrical outlet, draws less than 9 amps.
- 3/8" outer diameter water line.

# The Countertop Bevi

## Touchscreen dispense

This is where a user selects their custom drink: still, sparkling, flavored, or not.

## Refill station

Our machine accepts any container. With our single-nozzle design and LED lighting, filling up is easy and clean.
