BUBBLY WITH BEVI

— An after-hours recipe book

Pour something good

Super Simple Special Spritzers
Make happy hour even happier with these quick and easy spritzer recipes.

The best part of cocktails is, well, drinking them—that’s why we made sure that each of the 12 cocktails in this book can be prepared in seven minutes or less.

And, like Bevi, it’s easy to customize your beverage. Sweeten things up by adding the recommended amount of organic simple syrup or organic cane sugar; enjoy your spritzer in its original, unsweetened goodness; or have it anywhere in between.

FYI: each recipe makes a single serving. Multiply the ingredients by 6 to make enough for an entire pitcher. After all, bubbles this good were meant to be shared.
